

Global Mining and Mining Technology Funding Announcements

During March–June 2026

Point to one clear shift

Company	Country	Focus
KoBold Metals	USA	AI-driven mineral exploration
DISA Technologies	USA	Uranium recovery
Xoople (formerly Earth AI)	Australia	AI mineral exploration
Advanced Navigation	Australia	GPS-denied navigation
Ascension	UK	Geothermal critical mineral
Geopyora Oy	Finland	Ore-body knowledge
CleanDesign	USA	Energy management for mining
Miraterra Technologies	Canada	Mineralogical / hydrological data
Noreja	Germany	AI for process mining
GoldHaven Resources	Canada	Drilling / exploration
Lindian Resources	Australia	Rare earths project development
Manning Ventures	Canada	Exploration
R8R	Europe	Silver-copper-lead-zinc project
Wylloo Metals	Canada	Critical minerals processing hub
Hades	Europe	Ultra-deep drilling tech
Cango Inc.	China	Bitcoin mining / AI compute
Supra Elemental Recovery	USA	Mineral recovery cartridges
Chemshift Technologies	Canada	Lithium refining
Foresight Spatial Labs	Canada	Spatial SDK for mining
Watergenics	Germany	Industrial water monitoring
Voluna	USA	Airborne neutron sensing
Material Difference	UK	AI for subsurface exploration

Company	Country	Focus
Alta Resource Tech	USA	AI edge control
Critical Minerals Group	Australia	Downstream battery
Cenomines	France	Biomining frontier
Endolith	USA	Biotech engineered
Green Technology Metals	Canada	Lithium exploration
Vale Canada Limited	Canada	Nickel/cobalt downstream processing
BME Mining Inc.	Canada	Advanced blasting & technology
Neotech Metals Corp.	Canada	Rare earth elements exploration
Kromtech Inc.	Canada	Mineralogical analysis software
Drillco Mining & Exploration	Canada	Clean, modular deep exploratory
Rock Tech Lithium Inc.	Canada	Lithium hydroxide converter
Destiny Copper Inc.	Canada	Low-carbon copper extraction
Cyclic Materials Inc.	Canada	Rare earth recycling
Errington Metals Inc.	Canada	Critical base metal exploration tech
Novamera Inc.	Canada	Sustainable surgical mining
EarthEx Geophysical	Canada	High-definition drone geophysics
Volta Metals Ltd.	Canada	Lithium and pegmatite deposit targetin
Osprey Materials Corp.	Canada	High-purity titanium & mineral alloys
Clean Air Metals Inc.	Canada	Platinum-group element resource
Magna Mining Inc.	Canada	Advanced nickel-copper-PGE
Green Graphite Tech Inc.	Canada	Sustainable graphite purification
Rain Carbon Canada Inc.	Canada	Advanced carbon material processing
